MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Senator Jack Miller (R., Iowa) --
Selective Service Status of [REDACTED]

STATINTL

1. Met with Senator Jack Miller in response to his earlier request and advised that the Agency had been in contact with representatives of General Hershey's office concerning extension of the selective service deferment of [REDACTED]. I also advised the Senator that the Agency has had a long and very cordial association with Selective Service Headquarters and in consequence, had acted on their advice in the instant case. It was noted further that the Agency did not feel justified in pressing for submission of the case to the President's Board against the recommendation of Selective Service Headquarters.

2. Senator Miller appreciated the Agency's position and indicated again that he had needed to know whether Agency support of the individual's request would be forthcoming if he were to contact Selective Service. After noting that the Agency could not request such action on the Senator's part, I advised that the Agency would respond as it had with the local and state boards, in favor of continued deferment. The Senator thanked me, indicated that he "would leave us out of it," and that we might expect to hear from General Hershey's office. [REDACTED] and Mr. Wattles have been advised.
